A Cyber Rest Stop on the Information Super Highway

In This Issue

[Be Our Friends](#)

[Show Details](#)

Hello Road Warriors,

Spring has sprung and the siren song of the open road is growing more alluring with each passing day. Are you itching to load up the RV and head out for a road trip? I know I am. But if you're like me, you have some work to do to get the rig ready for summer.

The [18th Annual Northern California Spring RV Show and Sale](#) is right around the corner to serve you. From May 14-23, we will have everything you need to get ready for a summer of RV bliss--whether that be new accessories to make your ride as comfortable as possible, or a whole new rig for your vacationing pleasure. And when I say everything, I mean it. We already put on the West Coast's largest indoor RV show in January, but this spring we're going to outdo ourselves. The show will be 70,000 square feet bigger with dozens more RVs and a lot more dealers ready to wheel and deal.

We've also created an easy-to-find [Facebook](#) page where you can get details about the show, double-discount coupons for admission, as well as discounts on

campgrounds, hotels, parts and service and whatever else we can rustle up to save you money. Make it one of your cyber rest stops.

For the Twitter fans out there, make sure to start following us on [Twitter](#), also. You never know when we'll tweet some great deals!

Happy RVing, and we'll be seeing you soon!
